Launch Your Business In 14 Days (PDF Calendar & Guide)

Starting a business is easier to do if you break it down to a step-by-step process.

We have created this easy-to-follow 14-day startup calendar for you - follow it, using our references and you’ll be ready to roll.

The tasks are divided up across the 2-week period. Expect to spend 1 to 3 hours a day working on parts of the plan and setup.

Conclusion

Splitting the tasks starting a business makes the process simpler.

Depending on your existing skills and previously acquired knowledge, some tasks may prove to be easier than others.

With this in mind, use the above plan as a rough guideline and allow yourself a generous amount of time to comprehend anything new.
